## H.S.E PLAN

At Oasis Palm Group of companies, we have formulated an effective health safety and environment plan in line with industry practices. The copy of the H.S.E plan can be produced on request.

The implementation of the same is in progress and as a policy matter the company is focusing on attaining the same in the current fiscal year itself.

As per our H.S.E plan safety aspects are exercised, on completion of the job. The laid out procedures are followed and project completion is recorded.

All the feed back documents and field experiences are analyzed thoroughly to add more authenticity for the future actions.

## **QUALITY SYSTEM AND POLICY**

At Oasis Palm Group Of Companies, we are developing our own quality system in the line with the supreme companies and are obsessed to implement quality assurance system to bring out company quality manual, at this juncture based on the nature of work, customer specification and considering the necessary industrial values.

We are strictly following the quality norms and incorporating project specific quality methods to our working environment to reduce the challenges faced to ensure the achievement of project deadlines.
